# DEPARTMENT INITIATIVES

## POLICE DEPARTMENT

In a significant win for the community, the Bridgeport Police Department assisted in apprehending multiple suspects involved in a string of breaking-and-entering crimes that spanned the county. The spree included over 40 stolen guns, break-ins of more than 200 vehicles, a stolen truck, and illicit drugs. Investigators also recovered over \$16,000 in cash, upwards of \$20,000 worth of tools, and other stolen property. Officers dedicated extensive manpower to tracking down the perpetrators responsible for the months-long crime wave. This operation included close surveillance, drone operating, detailed evidence gathering, and coordination with nearby jurisdictions. The Bridgeport Police Department praised its officers for their relentless efforts and thanked the community for providing valuable information that aided the investigation.
